

First choice on the last mile

Europe's leading delivery platform

Intro

Founders: Thomas Hagemann, Johannes Plehn

Founded
in 2015

200+
employees

100+ customers trust us

We connect to every system

Europe is diverse, so are the people

Sophie wants the parcel
delivered to her Parisian bakery

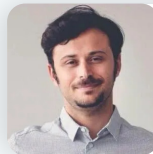

Marta prefers cash on delivery

Mathieu does not want to
pay taxes and duties

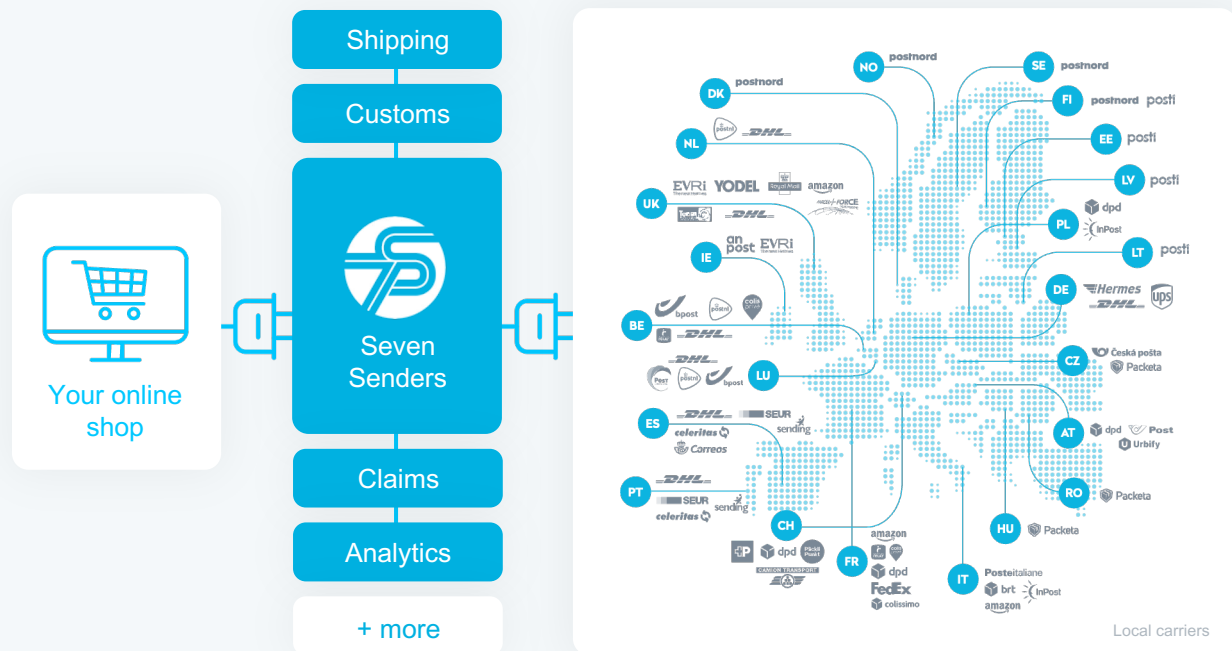

Eva prefers delivery to one
specific locker point

Franz wants to receive his
parcel on the same day

The independent carrier platform to meet all local requirements

Posteitaliane

Marta paid cash on delivery with Poste Italiane

Mondial Relay

Sophie used Mondial Relay for pick up point delivery

Swiss Post

Mathieu received his parcel DDP with Swiss Post

InPost

Evas parcel was delivered with InPost

Urbify

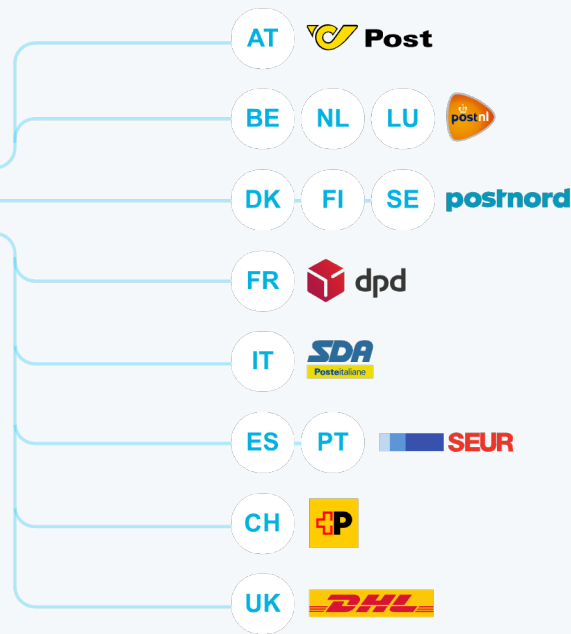

Franz received his parcel late in the evening with Urbify

Seven Senders picks up at your warehouse and connects you with all local carriers

“ 13 Countries – 8 Local Carriers –
1 Platform ”

Kjell Kühne, ESN

Seven Senders Customs makes your operations team and your customer happy

Your operations managers will feel like they fulfilled a domestic order

100% digital

Parcels can be mixed with EU-parcels

Packing until last minute before pick up

+ many more

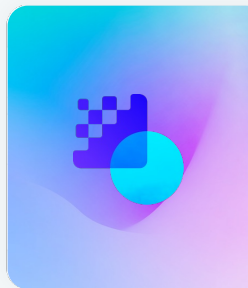

Your customers in CH, UK and NO will not notice they ordered internationally

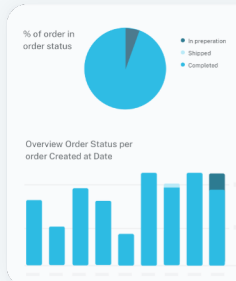

A FEW OF OUR MANY SOLUTIONS

Seven Senders platform makes 50+ local carriers feel like one

claim.me

Claim at any carrier with just a few clicks. One interface. One language. One process.

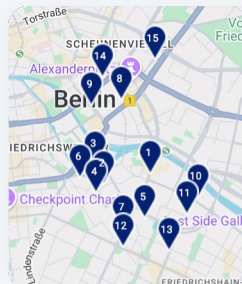

Analytics

Send cross-border like Asics, Bergzeit and Tamaris. Contact us today!

“

The platform and services of Seven Senders are simple, efficient,

fast and easy to use. We source everything from one partner – a one-stop-shop which convinces with both performance and cost efficiency. ”

— Michael Gryszko-Prattes

“

Thanks to the cooperation with Seven Senders, we are able to meet

the challenges of cross-border shipping and the potential difficulties of shipping bulky goods in the best possible way. We really appreciate this cooperation. ”

— Dennis Wiesinger

“

We were able to increase our delivery efficiency last year significantly. This

success is undoubtedly related to the fact that we were able to continuously optimize delivery quality, options, and other factors. ”

— Marco Ziemski
